Clearwater Farm Mission:

"To demonstrate, teach
& advocate the
sustainable use of
natural, architectural,
historical, and
agricultural resources"

Dear Friends and Family:

Merry Christmas and Happy New Year! We look back and give thanks for the blessings of the past year and celebrate hope for new ones in the next. We count you and yours among our many blessings. Clearwater has gained great momentum this year. The big red barn has a fresh coat of paint, the garden has a new fence, and the youth garden program was a huge success!

If you didn't get a chance to experience Clearwater Farm in 2016, we invite you to take part in one, or more, of our many community events. Choose from events like our Taste of Summer beer, wine, and appetizer tasting fundraiser, Spooktacular family day, summer yoga, or our Christmas tree sales. Let

us give you a personal tour! We take great pride in what Clearwater Farm has accomplished within our community over the years. Once you've had a chance to see what this hidden gem is all about, we hope you get involved. Clearwater Farm always needs volunteers to continue our mission.

Our vision for 2017 is to continue to expand our program and event capabilities. We are initiating Phase 1 of our historic 1890's big barn restoration. This endeavor will allow us to utilize the property year round. As a 501(c)(3) non-profit organization, donations are needed to continue the momentum. If you are interested in making an online donation, please go to our website at: ClearwaterFarm.org, or if preferred, mail to Clearwater Farm, 760 Green Coulee Road, Onalaska, WI 54650. Donations are tax deductible to the fullest extent of the law. We will happily send you a receipt for your donation.

With generous help from individuals and businesses like you, we are able to serve our community each year and soon all year long. Your contribution, regardless of size, supports the Clearwater Farm mission.

Best Wishes and Great Expectations for the New Year!
