

# Eagle Scout Service Project

June 1, 2019

Clearwater Farm Members,

Hi, my name is **Walker Kudron** and I am a **Boy Scout in Troop 168** in Onalaska, WI. This summer I will be completing my **Eagle Scout Service Project**. My project is to build a **goat playground at Clearwater Farm** in Onalaska. I love animals and it will be great to build a playground for the new baby goats to play on. To complete my project I will need quite a bit of construction materials. I am asking for your help. **Would you be willing to donate to my project?**

**All donated funds will be used to purchase materials.** The playground will include **a 2-story platform** for the goats to play on, **3 perches** for the goats to jump up on, and a few **tire obstacles** for the goats to climb on and off of. **Your donation would be very much appreciated.** I will need several different dimensions of wood to build the playground. I will also need bags of concrete mix, fasteners, and things like joist hangers and hurricane clips. **Any donation would be great!**

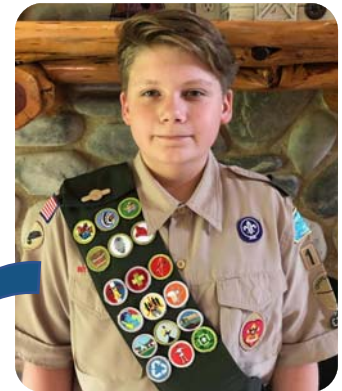

I have included a few pictures. If you would be able to donate please contact **Shari Collas at Clearwater Farm**. All donation should be sent to Clearwater Farm % the **Goat Playground Project**.

**Thank you for your consideration in donating to my project!**

Sincerely,

Walker Kudron  
Boy Scout Troop 168

**Prepared. For Life.™**

Hi! I'm Walker Kudron from Boy Scout Troop 168

**My Eagle Scout Service Project!**
