Environmental Educator - Summer Camp Assistant

Overview

Clearwater Farm is seeking a highly motivated individual to join our Summer Camp Director in delivering an outdoor education program for ages 7-13 from June 8 - August 7. Applicants need to be enthusiastic about environmental education, working with children, and spending time outdoors. Experience with gardening and working with animals are preferred - or an eagerness to learn!

Responsibilities:

- Be available to work Monday-Friday, 8:00 am - 1:00 pm, beginning June 1 and ending August 7, with one week off June 29-July 3.
- Assist with teaching hands-on activities, including animal care, gardening, cooking, nature exploration, games and crafts.
- Assist with setup and cleanup of camp activities.
- Ensure the general safety and well-being of participants.
- Handle farm animals, including baby chicks, goats, sheep donkeys, and mini horses.
- Model respect and curiosity for nature.
- Represent Clearwater in a professional manner.
- Photograph summer camp activities and help showcase the positive impact of Clearwater Farm.

Qualifications:

- Experience working with children.
- Willingness to learn and teach in an outdoor farm setting.
- Positive attitude and a willingness to work with others.
- Ability to communicate with a variety of ages and backgrounds.
- Must be flexible and have a sense of humor!

Benefits:

- Gain valuable teaching experience under the guidance of a professional educator.
- Gain references for future jobs.
- Network with Clearwater Farm volunteers and other community organizations.
- Earn a weekly stipend of \$450-\$550, depending on experience.
